

25.10.2024

**Official Cancellation of the 17th International Berlin Women's and Girls' Club
Tournament**

Dear Participants,

We have to inform you, after the registration deadline has passed, that the International Girls' and Women's Tournament planned for November 2, 2024, unfortunately has to be canceled.

Despite our excitement and the intensive preparations that have already taken place, we were unable to secure the necessary number of registrations required to ensure a successful tournament.

A heartfelt thank you goes to everyone who has already registered and supported us with their interest in our tournament. We take these registrations as motivation for the coming year—thank you! We hope to welcome you back in 2025 for the next edition of our tournament.

Thank you for your understanding and support.

Best regards,

Matthias Sikora

Club president of the SV Luftfahrt Ringen Berlin e.V.
